### Abstract submission

Your abstract must be submitted online. Abstracts submitted by fax or e-mail will not be accepted.

Please do not submit multiple copies of the same abstract.

**Please note, your abstract will not be submitted unless you click on "send abstract" button on the online portal.**

The maximum size of abstracts is limited to:

- Purpose (50 words max)
- Methods (100 words max)
- Results (100 words max)
- Conclusions (50 words max)

It is the Author's responsibility to submit a correct abstract; any errors in spelling, grammar or scientific fact will be reproduced as typed by the Author, if accepted.

Please follow carefully the instructions reported on the online pages and fill in all the requested fields, in order to guarantee a correct and complete publication of the text.

**Official language: English**

The **abstract submission deadline** is **September 15, 2023** . Please ensure that your submission has been completed and you have received the confirmation e-mail.

All correspondence concerning the abstract will be sent to the registered Author who is responsible for informing co-Authors of the status of the abstract.

Each corresponding Author (submitter) can send limitless abstracts. Each accepted abstract has to be presented by a different Presenting Author.

**In order to attend the Congress, the presenting Author of the accepted abstract must be registered.**

An Author may not revise or resubmit an abstract in order to make changes or corrections after the deadline; adding or removing Authors after the submission deadline is not permitted. The abstract may be withdrawn or, if accepted, the error may be indicated during the presentation.

All abstracts will undergo review by the Abstract Review Committee, to determine which abstracts may be accepted.

**The notification of acceptance** or rejection of your submitted abstract will be sent by e-mail by **October, 15.**
