

MILANO RETINA MEETING 20/20

Dear Friends and Colleagues,

*It is my pleasure to invite you to the first “**Milano Retina Meeting**” that will be held on 11st and 12nd of **September 2020**. This will be the year of “**20/20 vision**”, a very special year for Ophthalmology!!*

The Milano Retina Meeting will feature live retina surgery by international and national vitreoretinal surgeons who will demonstrate the most advanced and new surgical techniques and technologies.

Exciting new gene therapies, progress in the artificial retina, and state-of-the-art medical retina therapies will be presented and discussed with experts from all over the world.

Colleagues from USA, South America, Europe, Africa, Middle-East will share their experiences in a most engaging setting in the midst of all the beauty, charm, and culture that Milan so readily offers.

I'm looking forward to welcoming you most warmly in Milan. Please save the date on your calendar!
